

Bully Busters

Presented by

The Tulsa Health Department's *It's All About Kids* program has partnered with the Tulsa Drillers to prevent bullying in Tulsa County elementary schools through an interactive and educational bully prevention assembly.

For approximately 45 minutes your K–2nd grade students will have fun learning key ways to stop a bully with some help from Hornsby, the Tulsa Drillers mascot. We bring a team to facilitate the event from start to finish, including music, games and activities.

Spots are filling up fast. Contact Ashley Barnett to schedule your school today at abarnett@tulsa-health.org or 918.595.4035.
