

IT'S ALL ABOUT KIDS
2020-2021 SCHOOL HEALTH READINESS ASSESSMENT

It's All About Kids (IAK) is available to all elementary schools in Tulsa County. **To partner with IAK and receive services this assessment must be completed. Assessment submissions will be accepted April 1, 2020 – September 1, 2020. An IAK Planning Meeting must be scheduled by October 1, 2020 to receive services for the 2020-2021 school year.** The assessment will allow us to tailor our services specifically to the needs of your school. The principal, assistant principal, grade level team leads, PE teacher, nurse/health assistant, counselor, and community coordinator/parent liaison may need to work collaboratively to complete this assessment. If your team does not know or have access to certain information, please put NA. This assessment is used as a tool for IAK to gain a perspective of your school's climate. The assessment follows the 10 components of the Whole School, Whole Community, Whole Child (WSCC) model to strengthen a unified collaborative approach to learning and health.

TOP THREE WSCC MODEL PRIORITIES

To complete the assessment please decide which three components from the Whole School, Whole Community, Whole Child (WSCC) Model your school would like to focus on for the 2020-2021 school year. The ten components can be seen in the image below. **Please choose your top three and only answer the questions for those components. You do not need to answer the questions for the components you did not choose as priorities.**

In the online survey the lay out is slightly different than the PDF. There will be three separate questions asking for your first, second, and third priority. Once you choose the first priority it will automatically redirect you to the correct set of questions. Once those questions are completed it will continue to the second priority question which redirects you again to the specific set of questions. It follows the same pattern for the third priority question.
